Reports by Staff: None at this time.

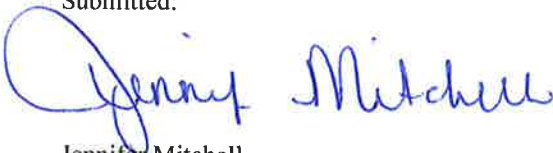

Unfinished Business: None at this time.

New Business: Discussion with a gentleman about constructing a metal residence with an attached workshop on 9 acres located on Gantts Fort and Longsdale Drive. COA members want to see some plans and are open to possibility. COA suggested a detached shop so the residence doesn't have the appearance of a warehouse located in a residential neighborhood. COA members voiced concern with how large the metal structures are getting and if COA should have some restriction of size.

Members also asked about where the magnetic signs for their personal vehicles are to be used during plan reviews. Staff will check with purchasing department.

No further business to come before the Committee at this time, the meeting was adjourned.
