

**Notice of Public Hearing
for the Pueblo West States Avenue Lift Station (LS3) and Sanitary Sewer
Pueblo West, Colorado**

Date: May 8, 2018
Time: 6:00 P.M.
Location: Pueblo West Metropolitan District
Address: 109 East Industrial Boulevard
Pueblo West, Colorado
Topic: States Avenue Lift Station (LS3) and Collection System Improvements

A public hearing will be conducted to inform citizens and solicit public input, written or oral, regarding the Pueblo West project to construct a lift station, associated force mains, and gravity sewer. The lift station will be located on Platteville Blvd adjacent to North States Avenue and serve the industrial park and surrounding residential properties. A sanitary sewer pipeline will be constructed along Platteville Blvd and Boyero Ave to connect the lift station to the District's existing collection system. A separate sanitary sewer segment will also be constructed in District-owned land to serve Tract 220. The project is applying through the Colorado Department of Public Health and Environment (CDPHE) to qualify for a State Revolving Fund Loan. The project cost is estimated at approximately \$6,400,000.

Copies of the construction plans and specifications are available for public review prior to the Public Hearing at the District Utilities Department at 20 West Palmer Lake Drive, Pueblo West, CO 81007. The report will also be available for public review on the District's website www.pueblowestmetro.com.

The point of contact for the Pueblo West Metropolitan District regarding this project is Kim Swearingen, Deputy Director of Utilities, (719) 547-5047. All interested persons are invited to attend personally and provide input at the hearing. For written comments or questions submit on or before May 1, 2018 to kswearingen@pwmd-co.us, or mail to Kim Swearingen, Deputy Director of Utilities, Pueblo West Metropolitan District, 20 West Palmer Lake Drive, Pueblo West, CO 81007.
